**ADDENDUM 001
REQUEST FOR BID
RFB D8X2-8006 STORAGE CONTAINERS
ISSUE DATE: July 25, 2007**

Bidders shall acknowledge receipt of Addendum 001 (one) by **signing and including with the original bid**. The due date for receipt of bids is unchanged by this Addendum.

Questions submitted by vendors have had the accumulated effect of requiring an amendment to ensure the information is made available to all interested vendors.

- For the sake of clarification, this bid request is for the **outright purchase** of used Sealand/Conex type portable metal storage containers.
- The contractor shall be responsible for unloading the storage containers at each delivery location. A common method for unloading these containers is to use a "roll-off" type trailer that does not require a crane or forklift for unloading.

The required receipt date for bids is unchanged. Bids are to be received on or before 1 p.m., local time, July 31, 2007.

The change is believed to be in the interest of all potential bidders. All other terms and conditions remain unchanged and in full force.
